SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

Submitted herewith on Form PTO-1449 is a listing of documents cited on an International Search Report (ISR) dated May 7, 2003 issued in connection with corresponding International Application No. PCT/US01/43826 in order to comply with applicant's duty of disclosure pursuant to 37 C.F.R. §1.56. A copy of the listed documents and International Search Report (ISR) is being submitted to comply with the provisions of C.F.R. § 1.97-1.98.

The submission of any document herewith, which is not statutory bar, is not intended as an admission that such document constitutes prior art or is considered to be material to patentability as defined in 37 C.F.R. § 1.56(b). Applicant does not waive any rights to take any action which would be appropriate to antedate or otherwise remove as a competent reference any document which is determined to be a prima facie prior art reference against the claims of the present application.

CONCISE EXPLANATION OF RELEVANCE OF EACH DOCUMENT

Because an English language version of the ISR has been submitted along with the documents cited on the Form PTO-1449, no further explanation of each document is required in accordance with 37 C.F.R. §1.98 and M.P.E.P. §609A(3). Applicant respectfully requests that the listed documents be considered by the Examiner and be made of record in the present application and that an initialed copy of Form PTO-1449 be returned in accordance with M.P.E.P. §609.

CERTIFICATION

The undersigned certifies that each and every item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of the statement.

It is believed that no fee is due, however, if any fees are due, please charge them to Deposit Account No. 19-2179.

Respectfully submitted,

Alexander J. Burke
